

Application for GPU Licence

Introduction

A GPU Licence costs 40€ and includes one GPU Gold medal. Silver and Bronze GPU medals are available. Each additional medal purchased at the same time (either gold, silver or bronze) are 30€ each. Each medal comes with 2 HM ribbons. Extra HM GPU ribbons are available at 10€ each.

For each set of 3 additional medals (one gold, one silver and one bronze) ordered at the same time, there will be a discount from 90€ to 75€.

We at GPU ask salon chairpersons to kindly submit to GPU Licence Officer the full acceptance/award winners using the PSA Excel file format. (If this is not possible – Please contact GPU and another agreed and acceptable format for receiving the results electronically will be worked out. The scheme only works if we get the full detailed results from each of the GPU Licenced salons.

The GPU logo is to be used on the salon entry form and in the salon catalogue. The GPU licence text – which is supplied – is to be used in all publicity and in particular, in the salon catalogue.

The postal address section is included in the online application form to allow the salon chairperson to put the 'exact' address where the medals are to be posted. It is your responsibility to add this accurate address as medals have failed to be delivered in a timely way due to local postal requirements.
