For each set of 3 additional medals (one gold, one silver and one bronze) ordered at the same time, there will be a discount from 90€ to 75€.

We at GPU ask salon chairpersons to kindly submit to GPU Licence Officer the full acceptance/award winners using the PSA Excel file format. (If this is not possible – Please contact GPU and another agreed and acceptable format for receiving the results electronically will be worked out (e.g., a standard Excel file). The scheme only works if we get the full detailed results from each of the GPU Licenced salons.

The GPU logo with the correct year is to be used on the salon entry form and in the salon catalogue. The GPU licence text – which is supplied – is to be used in all publicity and in particular, in the salon catalogue.

The postal address section is included in the online application form to allow the salon chairperson to put the 'exact' address where the medals are to be posted. It is your responsibility to add this accurate address as medals have failed to be delivered in a timely way due to local postal requirements.

GPU Licence application procedure

1. Access the licence application form. (<https://www.gpuphoto.com/salon-register/>).
2. Fill in the details, ensuring you complete all fields.

3. Add your medal requirements, remembering that a GPU licence application for a single salon includes the first gold medal and two HM Ribbons. The licence application for a circuit includes multiple gold medals and HM Ribbons depending on the number of salons in the circuit.
4. Attach a copy of your entry terms and conditions.
5. Attach any corroborating evidence. (Past Salons etc.)
6. Review your application.
7. Check the accuracy of the postal address.
8. Once complete send the application to the GPU Licence Officer.

After completing the above, you will receive an email back from the GPU Licensing Officer requesting that you pay the relevant fee. Please ensure that your salon name is used as the reference for all payments or correspondence.

Payment can be made by: -

- a. PayPal quoting (**preferred**) e-mail address finance@gpuphoto.com for the full amount quoting the full salon name.
- b. Electronic bank transfer (Bank Account GPU; IBAN: BE92 7340 2604 5923 BIC: KREDBEBB) for the full amount quoting the full salon name.

There is a single postage fee of 35€ per order, for a successful application with supporting evidence (past catalogue, draft application form with jurors).

Once the GPU treasurer has received the correct amount, he will inform the GPU Licence Officer, who will then issue a unique number to your salon.

The GPU Licence Officer will also request that the GPU Medals Officer and GPU support department, send all medals and any ribbons to the address used in the application form. The salon will also be added to the GPU salons web page.
