

GPU Licence Rules

Introduction

A GPU Single Licence costs 40 Euro and includes one GPU Gold medal.

A GPU Circuit Licence costs 90 Euro and includes one GPU Gold medal.

(The new circuit licence fee is applicable for any photographic competition that is comprised of more than one salon and is judged in multiple locations that has a salon date in 2024 and beyond).

Additional Gold, Silver and Bronze GPU medals are available. Each additional medal purchased at the same time (either gold, silver or bronze) are €30 each. Each medal comes with 2 HM ribbons. Extra HM GPU ribbons are available at €10 each.

For each set of 3 additional medals (one gold, one silver and one bronze) ordered at the same time, there will be a discount from €90 to €75.

We at GPU ask salon chairpersons to kindly submit to GPU Licence Officer the full acceptance/award winners using the PSA Excel file format. (If this is not possible – Please contact GPU and another agreed and acceptable format for receiving the results electronically will be worked out. The scheme only works if we get the full detailed results from each of the GPU Licenced salons.

The GPU logo is to be used on the salon entry form and in the salon catalogue. The GPU licence text – which is supplied – is to be used in all publicity and in particular, the salon catalogue.

The postal address section is included in the online application form to allow the salon chairperson to put the 'exact' address where the medals are to be posted. It is your responsibility to add this accurate address as medals have failed to be delivered in a timely way due to local postal requirements.
